## Action Taken Report on Curriculum feedback from the Students.

2023-24

The college has received the feedback on review of curriculum from the students. The analysis of the feedback shows that 80.81 percent of responses are positive. Students are agreed on the delivery of curriculum. Only 6.55 percent students are disagreed on the delivery of curriculum. On the basis of this analysis, the college takes some action every academic year, such as teaching plan, academic calendar for the better implementation of the curriculum, submission of syllabus completion report and framing of departmental time-table. The principal directed the teaching staff to follow the curriculum strictly throughout academic year by being in compliance with the rules and regulations of the SPPU.

## **Action Taken Report on Curriculum feedback from the Teachers. 2023-24**

The college has collected the feedback on review of curriculum from all Teachers. The report is analysed every year and some necessary actions are taken for effective implementation of curriculum. The principal advised the teaching staff to acquire students-centric teaching learning methods to make the students competent in global scenario. Teachers are intimated to have innovative and skill based teaching learning methods to deliver the syllabus in order to bring holistic development in the students. The college facilitates teachers with ICT tools in order to assist ICT enabled teaching learning process. Laboratory requirements including equipment, chemicals and specimens are regularly provided by the college.
