SHRI SHIV CHHATRAPATI COLLEGE, JUNNAR

ACADEMIC YEAR 2023-24

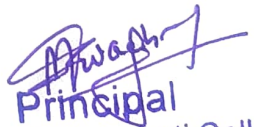

7.3 INSTITUTIONAL DISTINCTIVENESS

Shri Shiv Chhatrapati College, located in the rural setting of Junnar, Pune district, stands out as a beacon of education and community development. The college offers a wide array of academic opportunities with 15 undergraduate courses, 9 postgraduate programs, and two research centers, catering to the diverse educational needs of the region.

What sets the college apart is its comprehensive infrastructure and student-centric facilities. The college boasts state of the art spacious (7500 sq.ft.) Indoor Sports Stadium, providing students with a platform to engage in physical activities and sports, promoting overall wellness. The campus also features well-equipped Laboratories to support practical learning across various disciplines.

The institution places a strong emphasis on student welfare, offering excellent hostel facilities for boys within the campus. Additionally, the college fosters an inclusive and supportive environment with dedicated centers such as the Competitive Study Center, Women's Study Center, and Counseling Center, ensuring students receive holistic guidance and support.

Shri Shiv Chhatrapati College's institutional distinctiveness lies in its ability to offer quality education in a rural area while maintaining a focus on extracurricular development, mental health, and gender equality. The college serves as a hub of academic and personal growth, empowering students to succeed in both their academic pursuits and in life.
